# A NATION SO CONCEIVED AND SO DEDICATED HAS SURVIVED

## FOREWORD

"When lilacs last in the dooryard bloom'd,  
And the great star early drop'd in the western sky in the night,  
I mourn'd, and yet shall mourn with ever-returning spring."

So lamented the early poetic spokesman of America, Walt Whitman, at the death of President Abraham Lincoln. But the lamentation has evolved into a song of hope for the nation, for the spirit of Lincoln has lived on.

Especially in this "Land of Lincoln," here where Lincoln lived and worked and was buried, his impression is deep -- the impression of the legendary, almost romanticized, American, the fulfillment of the American Dream.

Whitman could have probably anticipated a college embodying the spirit of the mourned president. And even today it exists, Lincoln College, a college whose history has paralleled the hopes of a rising nation.

The theme of the Lynxite this year, therefore, is simply the graphic proof that Lincoln's spirit is present today, even in the field of education.

## BASKETBALL

The Lynx had a sensational year on the basketball court. They finished the season with a record of 24 wins and only 7 losses. The team won all of its 12 home games and were undefeated on the home court for the first time in the history of the college. During the season the Lynx had two phenomenal winning streaks; one of 7 games and the other of 11 games.

Tom Flynn, a freshman from Winchester, Illinois, led the team in scoring with 618 points for the season. Flynn also set a new school and gymnasium record by scoring 52 points against La Salle Peru-Oglesby Junior College.

# BASEBALL

The old saying, "Better late than never," aptly describes the diamond wars of the 1961 Lincoln College baseball squad. After dropping 9 of their first ten contests, the Lynx roared back to conquer their last 6 opponents for a season's record of 7 wins - 9 losses.

Lefty Al Horaz of Naperville turned in a series of stellar performances on the mound to finish with a personal record of 6 wins and 5 losses.

Lincoln's Larry Engle teamed with Horaz as he supplied the power and drove home 22 Lynx runners and led in hits with 16.

Max McPeck of Clinton captured the team batting title with 14 hits in 44 at bat for a .319 average. McPeck finished second to Engle in runs batted in with 11.

Centerfielder Bob Sargent of Wilmette and second baseman Bob Miller of Atlanta tied for the Club lead in runs scored with 11 each. McPeck and Clinton's Al Belangee tied for runners up in this department with 9 apiece.

 What does it spell --- LYNX

This is one of the many well known cheers of the Lynx cheerleaders as they spark the team on to victory.

The six regular cheerleaders are Gail Davis, Melinda Tarbox, Sue Dyson, Vicki Ward, Jill Vine, & Karen Kaplan. The two alternates, who serve in case of the absence of one of the regulars, are Becky Baker and Lynn Bauby. Gail Davis and Melinda Tarbox are the 1960-61 co-captains.

This year the addition of two clowns to the cheerleading squad increased the morale and added to the humor of the players and fans. These two clowns were Ron Gehrke and Bob Horn.

### FROM THE EDITOR

As editor of the 1961 Lynxite, I have had an interesting and invaluable experience. Throughout the time given for assemblage, organization, and the completion of the book, my staff and I have been confronted with many problems. We were given a minimum amount of time in which to meet our first two deadlines. The desire to cover every activity and every person's achievement in association with his school left us with a great amount of material to be featured in a comparatively small amount of space. Also, complications in securing timely and important photographs added to our difficulties. We hope that out of our efforts has come a book of which you, the student body, will be proud.

A special note of thanks is in order to Mr. C. E. Zoerner, our advisor, and to Managing Editor James Rutter, who contributed in so many ways toward the completion of this book, and without whose outstanding efforts it could not have been completed.

To these and all others who contributed to the 1961 Lynxite, I would like to give my sincere thanks.

*Paul Nelson*
